Faculty Leadership Collaborative

EARLY-CAREER BOOTCAMP

February 16 - 18, 2027
1 - 4 PM CST | via Zoom

Designed for early-career faculty (instructors or assistant professors with less than five years at rank), this three-day bootcamp provides overviews of key leadership competency areas, developed and delivered BY faculty members in academic health FOR early-career faculty members in academic health. With nine contact hours, participants will learn about leadership principles as they apply to self, in relation with others, and in complex organizations. This opportunity is open to participants from academic health institutions around the world.

TOPICS INCLUDE:

- Strategic Leadership Thinking
- Mindful Leadership
- Leveraging AI to Boost Productivity
- Time Management and Optimization
- Negotiating Resources for Yourself
- Difficult Conversations and Conflict Management
- Mentorship
- Finances and Funds Flow
- Communicating for Influence

DETAILS:

- 3-day bootcamp: 9 contact hours
- Registration fee: \$299.00
- Open to participants from academic health institutions globally
- Contact Lindsay Davis for more information at Ldsatter@utmb.edu

Continuing education credits to be offered - stay tuned!
